DULUTH, MINNESOTA

The INN ON LAKE SUPERIOR

Located in Canal Park

It's not just on the lake. It's the place on the lake, right in the heart of the historic Canal Park district. You're overlooking waters that connect a great city to the far reaches of the world. So, soak up the view. Embrace the waterfront and its varied colors, flavors, and moods. Revel in the feeling. Because at The Inn on Lake Superior, you're right in the center of it all.

You'll love our back yard...

and our front yard too.

Duluth, Canal Park, It's All Right Here!

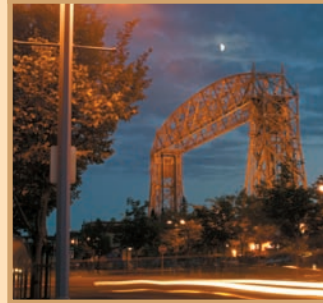

More than just a place to stay, The Inn on Lake Superior is a place to create memories. Whether you're here for pleasure or business, you'll find you can enjoy affordable luxury, while enjoying a multitude of sights, sounds and sensations. Watch the breathtaking moments as the Aerial Lift Bridge rises to allow oceangoing ships coming to port. Cruise the great Lake Superior aboard the Vista Fleet or visit the many attractions and museums available. Step out the door, onto the most spectacular boardwalk following the lakeshore with sculpture gardens, fountains, and parks while the waves kiss the shore. Stroll Canal Park and visit the many shops and restaurants to tempt you – over 30 within walking distance including Duluth's famous Grandma's Saloon & Grill.

HOME AWAY FROM HOME

With so many things to do outside, we've done our best to make you comfortable inside as well. Spectacular lake views, many varied room layout options, whirlpools, recliners, business desks, and all the comforts of home already in your room. Take a dip in our atrium pool, jacuzzi, or relax in the sauna. Experience our outdoor heated rooftop pool under the stars. Enjoy our complimentary breakfast bar with over 30 choices, available for 4 hours daily; whether you're an early bird or a late sleeper, you won't miss breakfast. Evening s'mores at our outdoor fireplace on the lake, story time by the fireplace in the lobby, we've provided it all to help you create your own memories. You may never want to leave...
